Arlt™

A complete family for text & display settings, equipped with many contextual sorts, delicate & comfortable to read, full of expressive details.
Arlt is composed of 26 fonts grouped into subfamilies.
Roberto Arlt, Argentinean writer from early 20th century wrote some very original novels all of which ‘Siete locos’ (‘Seven Madmen’) is perhaps the most celebrated piece. The Arlt type family is based on his oeuvre. It has a Baroque style interpreted with an expressionist, contemporary flair. This means the type is full of intense contrasts and vivid, expressive feelings.

(Arlt Blanca, Gris, Negra, SuperNegra plus italics and small caps 36/44pt.)
Having an expressive spirit, Arlt builds a flowing rhythm that is appropriate for literature setting. Arlt (text) includes romans, italics, & smallcaps in 4 weights.

Was prized at the Creative Review Type Design Contest, London
Based on the Arlt text fonts, **Arlt 7 Locos** is a series of seven carefully destroyed fonts, inspired by the ‘Lunfardo’ argot spoken by the characters of the novel ‘The Seven Madmen’.

(combined Arlt 7 Locos fonts, 32/32 pt.)
Arlt Lanzallamas is a dynamic, living font. It makes the text change its form as you type in. A unique font that works in every OT-sensitive app.
