The latest addition to the Arlt family is a living font!
Arlt, a system of 26 fonts
**Arlt Lanzallamas** is the latest addition to the Arlt family. It is a font based on a dynamic cycle. As you type in using Arlt Lanzallamas you will see the text changing its form. Using a database of 2,000 glyphs a built-in program makes the letterforms constantly permute until your text reaches the end of the text line. You can take advantage of this unique font within any OpenType-supported environment. Have fun. (Arlt Lanzallamas 36/32pt.)

**Roberto Arlt**, Argentinean writer from early 20th century, wrote some very original novels all of which ‘Siete locos’ (‘Seven Madmen’) is perhaps the most celebrated piece. The Arlt type family is based on his oeuvre. It has a Baroque style interpreted with an expressionist, contemporary flair. This means the type is full of intense contrasts and vivid, expressive feelings. (Arlt Lanzallamas 24/28pt.)
